

# 2024 Annual State of the Parish Report

## CHRIST THE KING PARISH

ARCHBALD • JERMYN • EYNON

### From the Pastor's Desk

Dear Parishioners:

It is my hope that this State of the Parish Report will highlight the many ways we are living out the faith at Christ the King Parish. The information provided herein also will help us discern our next steps.

Let us consider the numerous ways our parish lives out the mission of the gospel:

Each Sunday, we joyfully gather to worship the Lord. As we receive the Eucharist, we then give of ourselves in loving service to others. Responding to Jesus' call to care for the most vulnerable, many parishioners volunteer at the food pantry, community meal, Christmas giving tree, and recently inaugurated clothing closet.

We also are grateful for the community life at Christ the King Parish. Events such as our Summer Picnic, St. Nicholas 5k Race, Bingo, and Christmas Cash Raffle bring people together and provide much needed income for the parish.

Additionally, our parish offers numerous opportunities for all ages to grow in the faith through retreats, Scripture studies, and faith formation programs.

At the same time, we recognize the need for our parish to respond to emerging issues:

Results from our parish survey revealed that many of you are concerned about young people and those who no longer practice the faith. Outreach to these groups will require additional resources and strategic preparation. Likewise, we face considerable expenses to upkeep our three churches and rectories. These costs outpace our weekly collections.

As we prayerfully consider where the Lord is leading us in this next stage at Christ the King Parish, please know of my gratitude for all that you do and for the gifts you share!

Sincerely,

*Fr. Ryan P. Glenn*
